

## **Acknowledgment and Clarification**

Dear **[Venue/Event Organiser's Name]**,

I hope this message finds you well. I appreciate your positive response regarding the use of nebuliser devices at **[Venue/Event Name]**. Your commitment to creating an inclusive environment is commendable, and I am grateful for your understanding of diverse health needs.

To ensure a seamless experience for all attendees, especially those with medical requirements like myself, I would like to request that your staff and security team are made aware of my attendance, including the fact that I may be using my CBPM with a heated nebuliser device (dry herb vaporiser) for health reasons. This proactive measure will help avoid any confusion during the event and contribute to a more inclusive atmosphere.

I am willing to provide any additional information or documentation necessary to facilitate this process.

Once again, thank you for your positive response and commitment to inclusivity. I look forward to attending **[Venue/Event Name]** with the assurance that my medical needs will be accommodated appropriately.

If you have any further instructions or if there's anything else I should be aware of, please do not hesitate to inform me.

Sincerely,  
**[Your Name]**
